

ATMA RAM SANATAN DHARMA COLLEGE (UNIVERSITY OF DELHI)

Mind Masters: The Quiz Society

Mind Masters, the Quiz Society of ARSD College, was constituted in the year 2023. The Society conducted its inaugural intra-college quiz competition on 11th March, 2024. The event saw overwhelming participation with 110 registrations from teams as well as individuals and support from over 15 volunteers. The event began with the preliminary round that lasted 25 minutes, wherein participants were required to solve a questionnaire testing their knowledge and awareness on topics such as history, general knowledge, current affairs, pop culture, and arts.

The teams/individuals that qualified in this round were selected for the final round, which comprised three sub-rounds. Six teams/individuals qualified for the final round, where they faced intriguing and stimulating questions belonging to the audio-visual category, mixed bag, and mythology. The winners of the intra-college quiz competition were awarded cash prizes of up to Rs. 5,000/-.

The Quiz Society also conducted an inter-college quiz competition on 20th March, 2024. The event saw overwhelming participation with 66 registrations from teams as well as individuals from SVC, DDUC, JMC, Hindu, Rajdhani, IIMC, SBSC, Gargi, ZHDC, KMC, MLNC, DCAC, Ramjas, JMI, JNU, Hansraj, and Campus Law Centre. The Planning & Organising Department and the Marketing Department of the Society provided active support throughout the event.

The qualifying round required the participants to solve a questionnaire. The seven teams/individuals that qualified this round were selected for the finale, which consisted of four rounds where they faced intriguing and stimulating questions belonging to the audio-visual category, general category, and Delhi. Questions of both Indian and international origin were included in these rounds, making the final round of the quiz an energetic and engaging event. The winners of the inter-college quiz competition were awarded cash prizes of up to Rs. 8,000/-. Both the events progressed smoothly and successfully.
