

ATMA RAM SANATAN DHARMA COLLEGE (UNIVERSITY OF DELHI)

Skill Development and Entrepreneurship Cell (E-Cell)

The Skill Development and Entrepreneurship Cell, under the aegis of IQAC, organized a webinar titled “**Crime Scene to Courtroom: Forensic Sciences and Its Implications**” on **27 July 2023** via the Google Meet platform. **Dr. Rajneet Kr. Singh**, CEO, SIFS India, was the speaker for the session, who stressed the importance and role of forensic sciences.

On **World Entrepreneurs’ Day (21 August 2023)**, ARSD conducted **Viz Trivia**, an online quiz competition to promote the spirit of business. The event helped participants learn about entrepreneurial statistics and figures.

Between **7–9 August 2023**, the E-Cell hosted **Skill-A-Thon**, a three-day online event featuring three distinguished speakers: **Dr. Sneha (Founder of Dream Career University)**, **Akshita Negi (Co-Founder of Dreambird Educations)**, and **Priyanka Madnani (Founder of Easy To Pitch and Incudash)**. This event provided attendees with opportunities to explore innovative ideas while also developing communication skills, job-readiness, and other entrepreneurial abilities.

On **5 October 2023**, **Mr. Nishant Chawla**, CEO of Finstreet, conducted an immersive online workshop on **Blockchain Technology**. The attendees were provided with important information about blockchain technology.

The **Startup Accelerator Program (SAP)** on **18 October 2023** featured a thought-provoking panel discussion and curtain raiser for the Start-Up Conclave held in Seminar Room 1, in partnership with the **Udhmodya Foundation** and **Career Development Cell Samarth Bharat**. **Shri Bharat Bhushan Arora**, Entrepreneur and Managing Director of Bharat Prakashan (Delhi) Limited, and **Dr. Abhishek Tandon**, Joint Chief Executive Officer of Udhmodya Foundation, University of Delhi, shared their perspectives on the importance of start-ups and entrepreneurship.

One of the E-Cell’s signature events, **Emagine ’23**, began with **Biz Tank**, where Round 1 concluded with an online quiz on **28 October 2023**, followed by Round 2, a pitching competition, on **30 October 2023**. The event included speaker sessions with **Vedant Kaushik**, a well-known YouTuber, and **Ms. Riya Upreti**, psychology graduate, CEO, and founder of Fobet. The valedictory session was attended by **Dr. Sidhartha Tan**, a well-known Chinese research educator, who shared insights regarding his journey to success.

On **19 January 2024**, **Jigyasa Satsangi** conducted a webinar on “**Study Abroad by Collegedunia**”, which discussed opportunities for studying abroad and provided essential information about the application process and Collegedunia’s role in streamlining it.

The E-Summit, the flagship event of the E-Cell, marked a new milestone in the history of successful business events. It comprised two competitions and two speaker sessions on **13 and 14 February 2024**. The competitions, **E-Cell Emporium** and **Strategic Fusion Quest**, sparked entrepreneurial spirit among participants while offering an engaging and immersive experience.

On **13 February 2024**, speaker sessions were conducted by **Mr. Deepak Pareek** (Entrepreneur and content creator, Co-founder of Iceberg Creations) and **Mr. Prafful Garg** (CEO of Yunity Community Pvt. Ltd. and author of “*The Painkiller With No Side Effects*”). On the second day, **Mr. Aarush Dhawan** (Co-Founder of COO and CMO Services) and **Mr. Shubham Maheshwari** (Founder of *Being Chef*) addressed the participants. They provided insights into the functioning of startups and the journey towards entrepreneurship.

The Skill Development and Entrepreneurship Cell, under the aegis of IQAC, also conducted an add-on certificate course titled “**Forensic Science and Criminal Investigation**” from **September 2023 to January 2024**, in partnership with SIFS India, with around **25 students** from across the country enrolled.
