

ATMA RAM SANATAN DHARMA COLLEGE (UNIVERSITY OF DELHI)

Technology Business Incubator (TBI)

Technology Business Incubator, ARSD College organized a workshop on “**Overview of GST for Startups**” in collaboration with the **Centre of Excellence, Central Board of Indirect Taxes and Customs, Ministry of Finance, Government of India** on **26 February 2024**.

In her inaugural speech, **Ms. Sudha Koka, ADG, National Academy of Customs, Indirect Taxes and Narcotics, Palasamudram**, apprised the participants that the Government of India is taking necessary steps to ease the hardships faced by startups in various domains. She added that the Centre of Excellence, Central Board of Indirect Taxes and Customs is running campaigns to spread awareness about GST among startups and the public at large.

22 startups from different domains and **98 students of ARSD College** participated in the workshop. **Prof. Gyantosh Kumar Jha, Principal of ARSD College**, welcomed the guests and said that the college strives to foster an environment of startups through the Technology Business Incubator for students. He further stated that such workshops are organized regularly to encourage students to work on their ideas and provide them a platform to turn them into reality.

The instructor of the workshop, **Sh. D. K. Jain, IRS (Retd.)**, highlighted issues such as managing GST compliance for sales or services, repercussions of non-compliance with GST regulations for startups, recent updates or modifications in GST regulations pertinent to startups, and other related aspects.

The programme concluded with a formal vote of thanks by **Prof. Vinita Tuli, Coordinator, IQAC**.
