

ATMA RAM SANATAN DHARMA COLLEGE (UNIVERSITY OF DELHI)

MindMasters: The Quiz Society

MindMasters, the Quiz Society of ARSD College, successfully organized two major events during the academic year 2025–26, reflecting the society's commitment to promoting quizzing culture and fostering inter-college intellectual engagement.

The first event, the Inter-College Quiz Competition, was held on 10th November 2025 at 11:00 AM. The competition featured an India-themed quiz titled "*Poochta Hai Bharat*," with questions spanning history, politics, pop culture, and sports. The event witnessed enthusiastic participation from students across various colleges and was smoothly executed with the support of 10 society members. It provided participants with a fun and competitive platform to test their knowledge.

The second event, *Quiz Fest 2026*, the society's annual quizzing festival, was conducted over two days on 23rd and 24th February 2026. Day 1 featured "*Pounced by James*," a sports quiz, along with "*Sick Reference Bro*," a pop-culture filler round. Day 2 included "*HodgePodge*," a general quiz, and "*Tesla to Tesla*," a Sci-Biz-Tech filler round. The fest witnessed participation from 54 students across the Delhi University circuit and was marked by well-structured rounds, active audience engagement, and smooth coordination by the organizing team.

Across both events, MindMasters successfully brought together students from multiple colleges, fostering a vibrant spirit of knowledge, competition, and inter-college collaboration.
