

## Intezaar Hussain's 'BASTI' BY DR. PREERANA SINHA

WEEK - 30<sup>th</sup> March - 3<sup>rd</sup> AprilRefer to the following links:

1. <https://shodhganga.inflibnet.ac.in/> - chapter is 'Partition: Bishm Sahni and Intezaar Hussain'

A worth reading research paper as it critically analyses the approach of both these writers towards Partition literature where Partition is envisioned beyond History, in a broader way and Partition is one of its component. Intezaar Hussain's art is very well analysed.
