WEBINAR ON YOU FOR YOUR CAREER

Date of the Program: 29th September 2021

No. of Participants: 45

Organized by: Department of Electronics, ARSD College

Collaborating Agency: IQAC, ARSD College

Speaker:

Mr. Shreyansh Bhardwaj, Software development Engineer-II, People Mesh Inc.

In the contemporary world of cut throat competition and aspirations, aspirants out of confusion often choose the easy way out to progress in their career. They generally fell for what is commonly known as ‘mob mentality’ or ‘bhed chal’. They lose the sense of the fact that not what everyone’s doing is also correct for them. They don’t follow their interest and fall in this vogue leading nowhere. So, first of all they need to make a sense of themselves and know “WHO YOU ARE” and then only choose the career progression options. It is only You for Your Career and it cannot be dictated by others.

This webinar provided insight to the students on identifying their strengths and following their interests to excel in their career. The speaker of this webinar was Mr. Shreyansh Bhardwaj who led the webinar and explained to the students how important it is to follow one's interest to succeed in their professional life. The students participated with deep interest and clarified their doubts.
