The Webinar on Ennovate'22 – Social Startups Mentorship took place on 29 January 2022. The event was graced by the presence of Ms. Priya Gupta (founder of Sarvpriye Foundation). The event aimed at discussing the various elements of social entrepreneurial action in the society that need to be focused upon. The Session started with the introduction of our esteemed speaker by Somya Dahiya and a warm welcome by Dr. Manika Jain (Convenor of Enactus) expressing her token of appreciation to the event organisers and outlining her views over the topic of the discussion. The session started with the basic difference between social start-up and charity. She also mentioned the reason behind the formation of Sarvpriye Foundation and its working. This interactive session was followed by various ideas regarding social start-ups in society like creating a platform for awareness. She also highlighted the various issues faced by social entrepreneurs. Afterwards, a solicitous and absorbing discussion took place which was followed by the great response in the form of questions at the end of the event by our budding entrepreneurs. Ms. Priya Gupta shared her knowledge, experience and opinions with us and responded to the queries with her experience. She also gave words for encouragement like “Thinking on our problems, working on it and being a good listener”. The event came to its closure, claiming itself to be a great success, by the announcement of the winning teams of Round 1 of our case study competition.
