## Tete-a-Tete

**Date of the Program:** November 23, 2020

**No. of Participants:** 62

**Organized by:** Department of English, ARSD College

**Name of the Speaker:** Ms. Andaleeb Wajid

The English Association of ARSD College organized a talk cum writing workshop with Andaleeb Wajid, an eminent author with several novels to her credit, on November 23, 2020. The workshop aimed at providing a small overview of Ms. Wajid's books, and to further talk about the process of writing. With eager eyes stuck to their screens, the event started with a brief introduction of the author and the participants. Ms. Wajid was extremely cordial, and answered the curious questions of students with great ease and comfort.

Eventually the workshop ended with a question hour. As the participants tried to clear their doubts, the author came up with the most creative answers to their questions. The highlight of the event was the relatable and pertinent observations made by the author. The event was a resounding success with an ever-increasing participation from students across various colleges. We look forward to hosting more such events.
