

ATMA RAM SANATAN DHARMA COLLEGE

(UNIVERSITY OF DELHI)

Movie screening and a talk: “Loktak Lairembee: Lady of the Lake”

Date of Program: 23.02.2019

No of Participants: 42

Organised by: Northeast Welfare Committee, ARSD College

A movie screening and a talk was held on the 23rd of February 2019 for the students of ARSD College organized by the North East Welfare committee. Ramananda Mayanglangbam Singh, Assistant Professor of Kirori Mal College was invited to be the resource person for the talk. The film selected for the occasion was “Loktak Lairembee: Lady of the Lake,” based on the unique Loktak lake of Manipur.

It is a film that won Best film on Environmental Conservation at the 64th National Film Awards, 2016, loosely based on the short story, ‘Nongmei’ by Sudhir Naoroibam. The talk and discussions post-screening of the film brought out the many facets of the film. The ecological issues of the floating biomass Phumdis; the precarious life of the fishing community on Loktak lake; the flip side of the government’s developmental activities; the State’s apathy and ruthlessness; the trouble people faced in self-employment; people’s resistance and the fears and anxieties the flashpoints and conflicts can unleash in the mind of a sensitive individual; the life of the hard-working women of Manipur, etc. The student community had a great time learning from the insightful talk of the resource person and interacting with one another.
