Chief Guest: Mr. Siddharth Varadarajan, Founder editor, THE WIRE

Guest of Honour: Mr. Rahul Dev, Advisor to the Government of India

ARSD Youth Conclave has been committed to broadening horizons and expanding its legacy. With the Youth Conclave- 2019, the English Debating Society- NIMBUS scripted yet another success story through the creativity, strategic enterprise and incessant zeal of its members. The event saw an overwhelming response from the student community as it engaged them on issues of critical significance with a definitive emphasis on finding substantive resolutions for the same. With the fourth edition of ARSD Youth Conclave on October 18-19, 2019 we commenced the conference with the same ardor calling in the respected Chief guest Mr. Siddharth Varadarajan, Guest of Honour, Mr. Rahul Dev and the Principal of the college, Dr. Gyantosh Kumar Jha for the opening ceremony. The ceremonial lighting was followed by the exchange of ideas from our guests. Dr. Shubha Dwivedi, convener, Nimbus welcomed the youth to the conference. The critical issues pertaining to the nation such as freedom of speech and expression were the main highlights of the discussion keeping in mind that the youth of a nation are the trustees of posterity. Followed by such transposition of ideas, Priyam Mahajan, the Secretary General of the conference and President of Nimbus, the English Debating Society of ARSD College declared the conference open.

The conference witnessed a great debate where each delegate was assigned a portfolio and a committee with a particular agenda to deliberate and confer their distinct ideas. With the International Press covering the event, substantive discussions started taking place in the National Development Council, United Nations Human Rights Council, Economic and Social Council, All India Political Parties Meet, and the Security Council which primarily focused on analysis rather than a plain statement of facts. Delegates came with in-depth research on the intriguing topics layered with their diplomatic skills and confidence, defending their stance. Rules and procedures were clearly informed by the Executive Board at the beginning of the debate.
