INTER-COLLEGE CONVENTIONAL DEBATE

Topic of the Debate: THBT all the media houses should be monitored by the government in light of recent issues of fake news in India.

Date of the Program: 19th February 2019

No. of the Participants: 65

Organized by: Nimbus: The English Debating Society, ARSD College

Media of all sorts is one of the essential pillars supporting and upholding Democracy in any country however if media itself gets contaminated by fake news it will not only be incapable of upholding Democracy but in fact be detrimental to it. Fake news breeds rumours which in turn result in gigantic problems from riots to mass confusion and all that entails it.

Keeping this in mind, Nimbus organised an Inter-College Conventional Debate Competition – Talk Masters on 19th of February 2019. The topic of the debate was -THBT all the media houses should be monitored by the government in light of recent issues of fake news in India. The competition saw participation from a large number of students from various colleges under different universities, which ensured that the level of debate was distinguishable.

Apart from raising an opportunity of a dialogue on such an important issue, it also helped the participants improve their oratory, argumentation and debating skills and amp up the existing ones.
