Program Report

Name of the Program: Seminar on Forensic Science and its Scope

Date of the Program: 4th April, 2021

No. of Participants: 110

Organized by: Skill Development and Entrepreneurship Cell, ARSD College

Name of the speaker: Dr. Ranjeet Kumar Singh, CEO, SIFS, India

To discuss the relevance of Forensic Science a Seminar was conducted on-line on 4th April 2021. Forensic Science plays a very significant role in untying the mysteries in crime with the motive of creating a peaceful society. Being the multidisciplinary effort that embraces several fields of science for the advancement of the justice system and hereby forensic science is still actively identifying itself in the larger landscape of the sciences.

As there is increase in the rate of organized crime the task of Forensic scientists is becoming more tough, challenging and adventurous. Forensic science is a highly remunerative career options for youngsters. There is an acute shortage of qualified Forensic Experts, Scientists and Investigators in the India. Forensic Scientists help to reduce the number of cases entering the overloaded court system by assisting the decision-makers before a case reaches the court. So, there is wide scope for jobs, private work, own practice etc.
