He said that civil service is not just a job but a philosophy for entire life. It is an opportunity to transform the life of others as well as yours. This job gives you an opportunity to explore yourself and to know yourself better. Dr. Choubey highlighted the various myths regarding the civil services examination. He mentioned that, this examination is about testing skills of an individual rather than subjective knowledge. He emphasised upon the importance of personal strategy depending upon your strengths and weakness. He quoted that, “**the best strategy is your strategy**”. He later said that, the duration of your study doesn’t matter, what matter the most is your capacity to learn, retain and express.
