Date of the Program: 21st April, 2020

No. of Participants: 45

Organized by: TILT, Film Appreciation Society, ARSD College

“Funerals in My Brain” is an amazing film by TILT House Production, released on TILT’s Instagram handle. The film compelled us to ponder on an unconventional question- How exactly should a person behave when he/she loses a certain someone to death? It introduced us to Ahana, a complex and over-thinker with a hipster mentality. When death took away the only thing that mattered in her life, she pushed people away from her that ultimately results in her sabotaging her relationships. However, eventually, Ahana is able to find freedom from her fear to a certain extent. The production took 3 months of rigorous brainstorming and hard work, writing of scripts, conducting auditions, workshops, etc., But at the end of the day, it was all worth the effort. TILT was immensely satisfied and happy to share the result of the assiduous effort with everyone.
