## Program Report

**Name of Program:** Discussion on Zoya Akhtar's "Gully Boy"

**Date of Program:** 30<sup>th</sup> September 2019

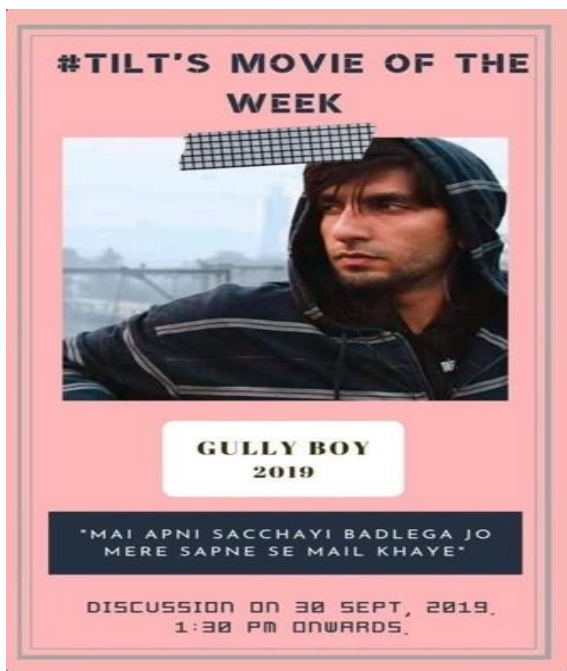

**No. of Participants:** 40

**Organized by:** TILT, Film Appreciation Society, ARSD College

**Speaker:** Dr Prerana Sinha, Assistant Professor ARSD College

The speaker, Dr. Prerana Sinha gave students delightful insights into the leitmotif of the film. The movie had multiple scenes that shattered stereotypes, made audiences cry and laugh, induced adrenaline with its rap music and or made one come face-to-face with the heart-wrenching truth of unattainable dreams and reality. One thing everyone agreed on what is its amazing use of music score which enhanced each scene and clearly put across the meaning behind it. Everyone voiced their favourite scenes, appreciating the use of creative cinematography to emphasise upon the underlining significance though some argued about the almost surreal climax of the film. Nonetheless, the film was acknowledged as a masterpiece by all present in the discussion. It gave the audience the inspiration to dream big and contort reality to follow their dreams instead of trapping them.
