

ATMA RAM SANATAN DHARMA COLLEGE

(UNIVERSITY OF DELHI)

Anti-Plastic Week

Date of the Program: 01-05th October 2019

No. of the Participants: 15

Organized by: Enactus -ARSD College

Collaboration: Delhi Tourism and Transportation Development Corporation (DTTDC)

1st October- Enactus ARSD gave alternatives to use of single use plastic products like coconut shells plants which can be reused as for carrying the plants from one place to another. This helped in reduction of usage of single use plastic polythene that depletes our environment. Second alternative was the replacement of plastic bags by canvas bags. Good quality canvas bags can be used for daily domestic purposes.

2nd October- On the occasion of Gandhi Jayanti, Delhi Tourism and transportation Development Corporation (DTTDC) held a Shram Daan cleaning drive and pledge taking ceremony against single use plastic. To contribute in this fruitful and constructive initiative, Enactus ARSD presented a “nukkad natak” at Delhi Haat INA. The play engaged onlookers and was successful in raising awareness to keep the city clean and plastic free.

4th October- Enactus ARSD came up with a unique and captivating idea of presenting the views of students in a video graphic way. This video was about how youth perceived the ban on single use plastic. There were varied opinions; some demystified their dissent while others ardently supported this promulgation by government. The purpose of the video was to lay a great emphasis on this issue and to make people realize that it is time to take this fight against plastic to another level, a level on which we take things in our hand and can actually make a change where it matters.
