

ATMA RAM SANATAN DHARMA COLLEGE

(UNIVERSITY OF DELHI)

Field Visit to Atomic Minerals Directorate for Exploration and Research, Department of Atomic Energy

Date of the Program: 22-08-2022

No. of the Participants: 15

Organized by: Illuminati Physics society

On 22nd August 2022, Atomic and Minerals Directorate for Exploration and Research, an autonomous body under the Department of Atomic Energy, Government of India Celebrated Azadi ka Amrit Mohotsav. They organised lectures, small documentary film and exhibition to introduce the realm of Earth and Mineral exploration to extract the metals which holds importance for nation to become self-reliant in terms of Nuclear Energy. The lectures were about basics of nuclear energy, how AMD explore and extract uranium and thorium while studying different geological features across the country. It also covered the future plans of AMD and DAE in Nuclear Energy. Then there was an exhibition where they showcased some rocks and ores which contained heavy elements, uranium, thorium and many more. There were also the instruments scientists use while studying different rocks to search for nuclear material. The event ended with a quiz in which two participants from different schools and colleges took part. ARSD team stood first in the quiz and participants were given prizes.

List of Participants

1. Devesh Sharma
2. Nishant Tripathi
3. Garima
4. Rajvansh
5. Adarsh
6. Nisha
7. Ritu
8. Nandini
9. Muskan
10. Mohid
11. Abhijeet
12. Himanshu Sharma
13. Mahesh Sharma
14. Dev
15. Veer
