On 3 December 2020, Entrepreneurship Cell conducted a Panel Discussion on Entrepreneurship, Jobs and Higher Studies as options after Graduation. The Keynote speakers tried to give a solution to the confusion at some stage in our life that what would be best after graduation. They discuss different aspects related to what would be best to go with your start up plan or gain some experience by job or pursue higher education. It was suggested that the basic thing is to find your interest. Be it seeking after higher examinations, taking up a corporate work or beginning your own endeavour, in the end living your energy is what makes a difference.
